

May 23, 2016

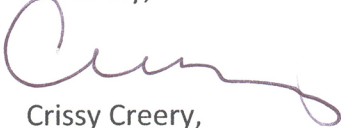

It is my pleasure to write this letter of recommendation for Alison Larkin.

Alison and I have worked together for approximately 10 years. She has demonstrated tremendous flexibility and has the unique ability to adapt to any role or need. Her attention to detail, work ethic and communication skills are exemplary.

Alison cannot be easily replaced, however, I will always support the growth of an individual both professionally and personally. She will make a valuable asset for any organization.

Please feel free to contact me for further information.

Sincerely,

Crissy Creery,

Operations Manager
